CAPITAL CORPORATION

New York, New York 10022

April 11, 2022

Dear Shareholder:

You are cordially invited to attend the annual meeting of shareholders of Owl Rock Capital Corporation (the “Company,” “we” or “us”) to be held on June 29, 2022 at 9:00 a.m., Eastern Time (the “Annual Meeting”). The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast.

Your vote is very important! Your immediate response will help avoid potential delays and may save the Company significant additional expenses associated with soliciting shareholder votes.

The Notice of the Annual Meeting and proxy statement accompanying this letter provide an outline of the business to be conducted at the meeting. The Annual Meeting is being held for the following purposes:

- (i) To elect two members of the board of directors of the Company (the “Board”) to serve until the 2025 annual meeting of shareholders and until their successors are duly elected and qualified;
- (ii) to ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022; and
- (iii) to transact such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

The Company’s Board unanimously recommends that you vote FOR each of the proposals to be considered and voted on at the Annual Meeting.

The Company has elected to provide access to its proxy materials to certain of its shareholders over the internet under the U.S. Securities and Exchange Commission’s “notice and access” rules. On or about April 14, 2022, the Company intends to mail to most of its shareholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access the proxy statement and annual report on Form 10-K for the year ended December 31, 2021 (the “Annual Report”), and how to submit proxies over the internet. All other shareholders will receive a copy of the proxy statement and Annual Report by mail. The Notice of Internet Availability of Proxy Materials also contains instructions on how you can elect to receive a printed copy of the proxy statement and Annual Report. The Company believes that providing its proxy materials over the internet will expedite shareholders’ receipt of proxy materials, lower the costs associated with the Annual Meeting and conserve resources.

It is important that your shares of the Company’s common stock, par value \$0.01 per share, be represented at the Annual Meeting. If you are unable to attend the Annual Meeting virtually, I urge you to complete, date and sign the enclosed proxy card and promptly return it in the envelope provided, or follow the instructions printed on the Notice of Internet Availability of Proxy Materials or the proxy card to authorize a proxy through the internet.

Your vote and participation in the governance of the Company are very important.

Sincerely yours,

Craig W. Packer

Chief Executive Officer, President and Director

Does the Board recommend voting for each of the Proposals?

Yes. The Board unanimously recommends that you vote "FOR" each of the proposals.

Why does the Board recommend voting FOR Proposal 1, the election of each of the Director Nominees?

- Mr. D'Alelio is currently the Chairman of the Board and he has served in that capacity since 2016. He was formerly a Managing Director and Chief Investment Officer for Fixed Income at Putnam Investments, Boston, where he served from 1989 until he retired in 2002. Since his retirement, he has held multiple board positions inside and outside of the financial sector. The Board believes Mr. D'Alelio's numerous management positions and broad experiences in the financial services sector provide him with skills and valuable insight in handling complex financial transactions and issues, all of which make him well qualified to serve as Chairman of the Board.
- Mr. Packer is the President and Chief Executive Officer of the Owl Rock BDCs and was a Co-Founder of Blue Owl Capital Inc. and Owl Rock Capital Partners. The Board believes Mr. Packer's depth of experience in corporate finance, capital markets and financial services gives the Board valuable industry-specific knowledge and expertise.
- Both Messrs. D'Alelio and Packer have served the Company since its founding in 2016 and the Board believes this long history and familiarity with the Owl Rock investment platform make them beneficial members of the Company's Board.

Why does the Board recommend voting FOR Proposal 2, to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm?

- KPMG LLP acted as the Company's independent registered public accounting firm for the 2018-2021 fiscal years and has been appointed by the Board to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022. The Board has submitted the selection of KPMG LLP to shareholders for ratification as a matter of good corporate governance. Although action by the shareholders on this matter is not required, the Audit Committee and the Board believe it is appropriate to seek shareholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements.

Why does the Board recommend voting FOR Proposal 3, to consider and transact such other business as may properly come before the Annual Meeting, and any adjournments or postponements thereof?

- While the Board is not aware of any matters that will be presented for action at the Annual Meeting other than the matters set forth herein, the Board believes it is important that persons named in the enclosed form of proxy are able to vote in accordance with the recommendations of the Board should any other matters requiring a vote of shareholders arise. This may improve the efficiency of deciding important matters that require a vote of shareholders.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

The accompanying proxy is solicited on behalf of the Board for use at the Annual Meeting to be held on June 29, 2022 at 9:00 a.m., Eastern Time. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast. Only holders of record of our common stock at the close of business on April 7, 2022, which is the Record Date, will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, we had 395,395,023 shares of common stock, par value \$0.01 per share (the "Shares"), outstanding and entitled to vote. This proxy statement, including the accompanying form of proxy (collectively, the "Proxy Statement"), or a Notice of Internet Availability of Proxy Materials containing instructions on how to access the Proxy Statement and annual report on Form 10-K for the fiscal year ended December 31, 2021 (the "Annual Report"), and how to submit proxies over the internet are first being sent to shareholders on or about April 14, 2022. The Annual Report and Proxy Statement can both be accessed online at www.proxyvote.com.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if a proxy is properly executed and received by the Company (and not revoked) prior to the Annual Meeting, the Shares represented by the proxy will be voted (1) **FOR** the election of two members of the Board to serve until the 2025 annual meeting of shareholders and until their successors are duly elected and qualified, and (2) **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022. Should any matter not described above be properly presented at the Annual Meeting, the named proxies will vote in accordance with their best judgment as permitted.

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the Record Date.

The Annual Meeting is being held for the following purposes:

1. To elect two members of the Board to serve until the 2025 annual meeting of shareholders and until their successors are duly elected and qualified;
2. To ratify the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022; and
3. To transact such other business as may properly come before the Annual Meeting, or any postponement or adjournment thereof.

Quorum Required

A majority of the outstanding Shares must be present or represented by proxy at the Annual Meeting in order to have a quorum. If you have properly voted by proxy via internet or mail, you will be considered part of the quorum. We will count "abstain" votes as present for the purpose of establishing a quorum for the transaction of business at the Annual Meeting. If at any time Shares are held through brokers, we will count broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding Shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters.

Quorum and Adjournment

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, virtually or by proxy, of the holders of a majority of the shares of our common stock outstanding on the Record Date will constitute a quorum.

If a quorum is not present at the Annual Meeting, the Chairman may adjourn the Annual Meeting until a quorum is present.

Proxies for the Annual Meeting

The named proxies for the Annual Meeting are Neena A. Reddy and Jonathan Lamm (or their duly authorized designees), who will follow submitted proxy voting instructions. They will vote as the Board recommends herein as to any submitted proxies that do not direct how to vote on any item, and will vote on any other matters properly presented at the Annual Meeting in their judgment.

Expenses of Soliciting Proxies

The Company will pay the expenses of soliciting proxies to be voted at the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the internet, and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials, and any requested proxy materials to the shareholders. The Company has engaged Broadridge Financial Solutions, Inc. ("Broadridge"), an independent proxy solicitation firm, to assist in the distribution of the proxy materials, solicitation of proxies and tabulation of proxies. The cost of Broadridge's services with respect to the Company is estimated to be approximately \$10,000 plus reasonable out-of-pocket expenses. In addition, the Company has engaged the

services of Alliance Advisors LLC (“Alliance”) for the purpose of assisting in the solicitation of proxies at an anticipated cost of approximately \$3,000 plus reimbursement of certain out-of-pocket expenses and fees for additional services requested. Please note that Alliance may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares, but only ask that you take the time to authorize your proxy. You may also be asked if you would like to authorize your proxy over the telephone and to have your voting instructions transmitted to Broadridge.

Revocability of Proxies

A shareholder may revoke any proxy that is not irrevocable by attending the Annual Meeting and voting in person (virtually) or by delivering a proxy in accordance with applicable law bearing a later date to the Secretary of the Company.

PROPOSAL 1: ELECTION OF DIRECTOR NOMINEES

At the Annual Meeting, shareholders of the Company are being asked to consider the election of two directors of the Company. Pursuant to the Company's bylaws, the number of directors on the Board may not be fewer than the minimum number required by the Maryland General Corporation Law, or greater than eleven. Under the Company's Articles of Amendment and Restatement, (the "Charter"), the directors are divided into three classes. Each class of directors holds office for a three-year term. However, the initial members of the three classes have initial terms of one, two, and three years, respectively. The Board currently consists of six directors who serve in the following classes: Class I (terms ending at the 2023 annual meeting of shareholders) — Eric Kaye and Victor Woolridge; Class II (terms ending at the 2024 annual meeting of shareholders) — Christopher M. Temple and Melissa Weiler; and Class III (terms ending at the Annual Meeting) — Edward D'Alelio and Craig W. Packer. See "Corporate Governance — The Board" beginning on page 19 for more information regarding the composition of the Board.

Edward D'Alelio and Craig W. Packer each has been nominated for election by the Board to serve a three-year term until the 2025 annual meeting of shareholders and until each of their successors are duly elected and qualified. Each director nominee has agreed to serve as a director if re-elected and has consented to being named as a nominee.

A shareholder can vote for, against or abstain from voting for any or all of the director nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each of the director nominees named below. If any of the director nominees should decline or be unable to serve as a director, the persons named as proxies will vote for such other nominee as may be proposed by the Board's Nominating and Corporate Governance Committee.** The Board has no reason to believe that any of the persons named as director nominees will be unable or unwilling to serve.

Required Vote

Each director nominee shall be elected by a majority of all the votes cast at the Annual Meeting in person (virtually) or by proxy, provided that a quorum is present. Abstentions will not be included in determining the number of votes cast and, as a result, will not have any effect on the result of the vote with respect to the Director Proposal. There will be no cumulative voting with respect to Proposal 1.

Information about the Nominees and Directors

Set forth below is information, as of April 8, 2022, regarding Messrs. D'Alelio and Packer, who are being nominated for election as directors of the Company by the Company's shareholders at the Annual Meeting, as well as information about the Company's other current directors whose terms of office will continue after the Annual Meeting. Neither Mr. D'Alelio nor Mr. Packer is being proposed for election pursuant to any agreement or understanding between either Mr. D'Alelio or Mr. Packer, on the one hand, and the Company or any other person or entity, on the other hand.

The information below includes specific information about each director's experience, qualifications, attributes or skills that led the Board to the conclusion that the individual is qualified to serve on the Board, in light of the Company's business and structure, including the number of companies in the "Fund Complex" overseen by each director. Each of the Owl Rock BDCs is advised by the Adviser or an affiliate of the Adviser.

There were no legal proceedings of the type described in Items 401(f)(7) and (8) of Regulation S-K in the past 10 years against any of our directors, director nominees or officers, and none are currently pending.

The Board

Board Composition

The Board consists of six members. The Board is divided into three classes, with the members of each class serving staggered, three-year terms; however, the initial members of the three classes have initial terms of one, two and three years, respectively. The terms of the Company's Class I directors will expire at the 2023 annual meeting of shareholders; the terms of the Company's Class II directors will expire at the 2024 annual meeting of shareholders; and the terms of the Company's Class III directors will expire at the Annual Meeting.

The Board believes that a classified board of directors serves the best interests of the Company and its shareholders by promoting the continuity and stability of the Company and its business. A staggered election of directors, means that over time the Company can ensure that, at any given time, at least a majority of the directors will have had prior experience on the Board. The Board also believes that classification may enhance the Company's ability to attract and retain well-qualified directors who are able to commit the necessary time and resources to understand the Company, its business affairs and operations. The Board believes that the continuity and quality of leadership that results from a staggered Board enhances long-term planning and promotes the long-term value of the Company. Three-year terms provide the Company's directors an appropriate amount of time to develop a deeper and more thorough understanding of the Company's business, competitive environment and strategic goals. Experienced directors are better positioned to provide effective oversight and advice consistent with the best interests of the stockholders. Staggered terms for directors may also moderate the pace of change in the Board by extending the time required to elect a majority of directors from one to three annual meetings of shareholders.

Messrs. Kaye and Woolridge serve as Class I directors (with terms expiring in 2023). Mr. Temple and Ms. Weiler serve as Class II directors (with terms expiring in 2024). Messrs. D'Alelio and Packer serve as Class III directors (with terms expiring at the Annual Meeting).

On November 19, 2021, the Board of the Company, upon the recommendation of the Nominating and Corporate Governance Committee of the Board (the "Nominating Committee"), voted to appoint Victor Woolridge as a Class I director of the Board, a member of the Nominating Committee, a member of the Audit Committee and a member of the Compensation Committee. In connection with Mr. Woolridge's appointment, the Board increased its size to seven directors.

On January 24, 2022, Mr. Finn notified the Company of his intention to resign as a director, effective February 23, 2022. On February 23, 2022, the Board accepted Mr. Finn's resignation and voted to reduce the size of the Board from seven to six directors. Mr. Finn served as a Class I director.

Independent Directors

NYSE corporate governance rules require that listed companies have a board of directors consisting of a majority of independent directors, and the Company's Charter requires that a majority of the Board consist of directors who are not "interested persons" of the Company, the Adviser, or any of their respective affiliates, as defined in the 1940 Act ("Independent Directors"). On an annual basis, each member of the Company's Board is required to complete a questionnaire designed to provide information to assist the Board in determining whether the director is independent under NYSE corporate governance rules, the Exchange Act, the 1940 Act and the Company's corporate governance guidelines. The Board limits membership on the Audit Committee, the Nominating Committee, and the Compensation Committee to Independent Directors.

Based on these independence standards and the recommendation of the Nominating Committee, after reviewing all relevant transactions and relationships between each director, or any of his family members, and

the Company, the Adviser, or of any of their respective affiliates, the Board has determined that Messrs. Kaye, Temple, D'Alelio, and Woolridge and Ms. Weiler qualify as Independent Directors. Each director who serves on the Audit Committee is an independent director for purposes of Rule 10A-3 under the Exchange Act.

Interested Directors

Mr. Packer is considered an "interested person" (as defined in the 1940 Act) of the Company since he is an officer of the Adviser.

Meetings and Attendance

The Board met nine times during 2021 and acted on various occasions by written consent. Each of the incumbent directors attended at least 75% of the aggregate of the Board meetings and meetings of the committee(s) on which they served during the last fiscal year and while they served as a director.

Board Attendance at the Annual Meeting

The Company's policy is to encourage its directors to attend each annual meeting; however, such attendance is not required at this time. All of the Company's then-current directors attended the 2021 annual meeting of shareholders.

Board Leadership Structure and Oversight Responsibilities

Overall responsibility for the Company's oversight rests with the Board. The Company has entered into a third amended and restated investment advisory agreement (the "Investment Advisory Agreement"), pursuant to which the Adviser will manage the Company on a day-to-day basis. The Board is responsible for overseeing the Adviser and the Company's other service providers in accordance with the provisions of the 1940 Act, applicable provisions of state and other laws and the Company's charter. The Board is currently composed of six members, five of whom are directors who are not "interested persons" of the Company or the Adviser as defined in the 1940 Act.

The Board meets in person at regularly scheduled quarterly meetings each year. In addition, the Board may act by unanimous written consent and hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings.

As described below, the Board has established an Audit Committee, a Nominating Committee and a Compensation Committee, and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities.

The Board has appointed Edward D'Alelio, an Independent Director, to serve in the role of Chairman of the Board. The Chairman's role is to preside at all meetings of the Board and to act as a liaison with the Adviser, counsel and other directors generally between meetings. The Chairman serves as a key point person for dealings between management and the directors. The Chairman also may perform such other functions as may be delegated by the Board from time to time. The Board reviews matters related to its leadership structure annually. The Board has determined that the Board's leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among committees of directors and the full Board in a manner that enhances effective oversight.

The Company is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Company and is addressed as part of various Board and committee activities. Day-to-day risk management functions are subsumed within the responsibilities of the Adviser and other service providers (depending on the nature of the risk), which carry

out the Company's investment management and business affairs. The Adviser and other service providers employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and to mitigate the effects of such events or circumstances if they do occur. Each of the Adviser and other service providers has their own independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. The Board recognizes that it is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Company, the Board interacts with and reviews reports from, among others, the Adviser, the Company's chief compliance officer, the Company's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Company and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Communications with Directors

Shareholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Owl Rock Capital Corporation, 399 Park Avenue, 38th Floor, New York, New York 10022, Attention: Secretary.

Committees of the Board

The Board has an Audit Committee, a Nominating Committee and a Compensation Committee, and may form additional committees in the future. A brief description of each committee is included in this Proxy Statement and the charters of the Audit, Nominating and Compensation Committees can be accessed on the Company's website at www.owlrockcapitalcorporation.com.

As of the date of this Proxy Statement, the members of each of the Board's committees are as follows (the names of the respective committee chairperson are bolded):

<u>Audit Committee</u>	<u>Nominating and Corporate Governance Committee</u>	<u>Compensation Committee</u>
Edward D'Alelio	Edward D'Alelio	Edward D'Alelio
Christopher M. Temple	Christopher M. Temple	Christopher M. Temple

Audit Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Audit Committee:

- (a) assists the Board's oversight of the integrity of the Company's financial statements, the independent registered public accounting firm's qualifications and independence, the Company's compliance with legal and regulatory requirements and the performance of the Company's independent registered public accounting firm;
- (b) prepares an Audit Committee report, if required by the SEC, to be included in the Company's annual proxy statement;
- (c) oversees the scope of the annual audit of the Company's financial statements, the quality and objectivity of the Company's financial statements, accounting and financial reporting policies and internal controls;

- (d) determines the selection, appointment, retention and termination of the Company's independent registered public accounting firm, as well as approving the compensation thereof;
- (e) pre-approves all audit and non-audit services provided to the Company and certain other persons by such independent registered public accounting firm; and
- (f) acts as a liaison between the Company's independent registered public accounting firm and the Board.

The Audit Committee had nine formal meetings in 2021.

The Board has determined that Christopher M. Temple is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Exchange Act, and otherwise satisfies the sophistication requirements of NYSE Rule 303A.07.

Each member of the Audit Committee simultaneously serves on the audit committees of three or more public companies, and the Board has determined that each member's simultaneous service on the audit committees of other public companies does not impair such member's ability to effectively serve on the Audit Committee.

Nominating Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Nominating Committee:

- (a) recommends to the Board persons to be nominated by the Board for election at the Company's meetings of the Company's shareholders, special or annual, if any, or to fill any vacancy on the Board that may arise between shareholder meetings;
- (b) makes recommendations with regard to the tenure of the directors;
- (c) is responsible for overseeing an annual evaluation of the Board and its committee structure to determine whether the structure is operating effectively; and
- (d) recommends to the Board the compensation to be paid to the Independent Directors.

The Nominating Committee will consider for nomination to the Board candidates submitted by the Company's shareholders or from other sources it deems appropriate.

The Nominating Committee had five formal meetings in 2021.

Director Nominations

Nomination for election as a director may be made by, or at the direction of, the Nominating Committee or by shareholders in compliance with the procedures set forth in the Company's bylaws.

Shareholder proposals or director nominations to be presented at the annual meeting of shareholders, other than shareholder proposals submitted pursuant to the SEC's Rule 14a-8, must be submitted in accordance with the advance notice procedures and other requirements set forth in the Company's bylaws. These requirements are separate from the requirements discussed below to have the shareholder nomination or other proposal included in the Company's proxy statement and form of proxy/voting instruction card pursuant to the SEC's rules.

The Company's bylaws require that the proposal or recommendation for nomination must be delivered to, or mailed and received at, the principal executive offices of the Company not earlier than the 150th day prior to the one year anniversary of the date the Company's proxy statement for the preceding year's annual meeting, and not later than the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. If the date of the annual meeting has changed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, shareholder proposals or director nominations must be so received not earlier than the 150th day prior to the date of such annual meeting and not later than the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

In evaluating director nominees, the Nominating Committee considers, among others, the following factors:

- whether the individual possesses high standards of character and integrity, relevant experience, a willingness to ask hard questions and the ability to work well with others;
- whether the individual is free of conflicts of interest that would violate applicable law or regulation or interfere with the proper performance of the responsibilities of a director;
- whether the individual is willing and able to devote sufficient time to the affairs of the Company and be diligent in fulfilling the responsibilities of a director and Board Committee member;
- whether the individual has the capacity and desire to represent the balanced, best interests of the shareholder as a whole and not a special interest group or constituency; and
- whether the individual possesses the skills, experiences (such as current business experience or other such current involvement in public service, academia or scientific communities), particular areas of expertise, particular backgrounds, and other characteristics that will help ensure the effectiveness of the Board and Board committees.

The Nominating Committee's goal is to assemble a board that brings to the Company a variety of perspectives and skills derived from high-quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating Committee also may consider other factors as they may deem are in the best interests of the Company and its shareholders. The Board also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Nominating Committee decides not to re-nominate a member for re-election, the Nominating Committee will identify the desired skills and experience of a new nominee in light of the criteria above. The members of the Board are polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third-party search firm, if necessary.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Nominating Committee considers and discusses diversity, among other factors, with a view toward the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board, when identifying and recommending director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of the Company and the interests of its shareholders.

Compensation Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Compensation Committee:

- (a) determines, or recommends to the Board for determination, the compensation, if any, of the Company's Chief Executive Officer and all other executive officers; and
- (b) assists the Board with matters related to compensation generally, except with respect to the compensation of the directors.

As none of the Company's executive officers are currently compensated by the Company, the Compensation Committee will not produce and/or review a report on executive compensation practices. The Compensation Committee had two formal meetings in 2021.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company's directors and executive officers, and any persons holding more than 10% of its shares, are required to report their beneficial ownership and any changes therein to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4, and 5 filed by such persons and information provided by the Company's directors and officers, the Company believes that during the fiscal year ended December 31, 2021, all Section 16(a) filing requirements applicable to such persons were timely filed.

Code of Business Conduct

The Company has adopted a Code of Business Conduct which applies to the Company's executive officers, including its Chief Executive Officer and Chief Financial Officer, as well as every officer, director and employee of the Company. The Company's Code of Business Conduct can be accessed on the Company's website at www.owlrockcapitalcorporation.com.

There have been no material changes to the Company's corporate code of ethics or material waivers of the code that apply to the Company's Chief Executive Officer or Chief Financial Officer. If the Company makes any substantive amendment to, or grants a waiver from, a provision of its Code of Business Conduct, the Company will promptly disclose the nature of the amendment or waiver on its website at www.owlrockcapitalcorporation.com as well as file a Form 8-K with the Securities and Exchange Commission.

Hedging, Speculative Trading, and Pledging of Securities

The Board has adopted, as part of the Company's insider trading policy, prohibitions against directors and officers of the Company and any director, officer or employee of the Company's investment advisor or administrator buying or selling puts or calls or other derivative securities based on the Company's securities (other than derivative securities issued by the Company, such as convertible notes). In addition, such persons are prohibited from (i) short-selling the Company's securities or entering into hedging or monetization transactions or similar arrangements with respect to the Company's securities, and (ii) pledging the Company's securities in a margin account or as collateral for a loan.

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines which are available on its website at www.owlrockcapitalcorporation.com.

- All of our directors are independent, except for Mr. Packer.
- All of our Audit, Compensation and Nominating & Corporate Governance Committee members are independent.
- An independent non-executive chairman.
- An excellent track record of attendance by our directors at Board and committee meetings in 2021.

Board Review of Charter and Bylaws

The Board has considered whether or not the Company should amend its bylaws to allow shareholders (without the concurrence of the Board) to adopt amendments to the Company's bylaws. The Board determined that it remains in the best interests of the Company and its shareholders if the power to amend the Company's bylaws is vested exclusively in the Board as is permitted by Maryland law. Since the Company's initial public offering in 2019, the power to amend the bylaws has been vested exclusively with the Board. This arrangement has served the interests of the Company and its shareholders well, we believe, because under Maryland law, the directors owe legal duties to the Company and its shareholders that require them to act with a reasonable belief that their actions are in the best interests of the Company and its shareholders. Shareholders are not bound by any such legal duty and are permitted to take or to recommend actions that are in their own individual interests as shareholders without taking into account the broader interests of other shareholders or the interests of the Company. As a result of these factors, the Board is in the best position to consider possible future bylaw amendments and will adopt such amendments only after concluding that such amendments are in the best interests of the Company and its shareholders.

The Board also considered whether or not the Company should amend its charter to allow certain extraordinary actions be taken by the affirmative vote of the majority of votes entitled to be cast. The Board determined that it remains in the best interests of the Company and its shareholders to require that certain extraordinary actions be taken by supermajority vote. The Company's supermajority voting standard is applicable only in limited circumstances, and generally serves to enhance the Company's stability and, thereby, shareholder protections. Consistent with the 1940 Act and Maryland law, the Company's charter requires that certain extraordinary actions be taken by supermajority vote, while all other actions may be taken by the affirmative vote of the majority of votes entitled to be cast. These extraordinary actions are limited to certain categories of activities that could cause uncertainty and negative outcomes for the Company's shareholders. For example, the charter requires a supermajority voting standard to take actions that would negatively impact certain shareholders' rights, including, for example, changes to the rights of shareholders to act by unanimous consent. Changes to this provision could disadvantage minority shareholders by allowing majority holders to circumvent the proxy solicitation process. The supermajority standard applies to certain changes that would fundamentally alter the nature of the Company, including, for example, the conversion of the Company from a closed-end company to an open-end company. Any such conversion would represent a fundamentally different investment for shareholders, and would result in a company with a different risk profile and regulatory regime. Finally, the supermajority standard applies to changes that would alter the Company's governance structure, including changes regarding the number, tenure, classification, election, and removal of directors. The Company's Board is subject to a complex regulatory regime, the requirements of which are included in the Company's Charter.

Responsible Investment & Corporate Diversity, Equity, Inclusion and Community Impact

Environmental, Social and Governance factors in Responsible Investing

The Adviser and the Company recognize the importance of environmental, social and governance ("ESG") issues and are committed to the consideration of ESG factors in connection with their business operations and investment activities. The Adviser believes that incorporating ESG factors into its corporate and investment practices has the potential to meaningfully contribute to the long-term success of the Adviser, the Company and positively influence the organizations in which it invests.

In 2021, Blue Owl became a signatory to the United Nations Principles for Responsible Investment ("PRI") and adopted a comprehensive ESG Policy, which includes core principles based on PRI standards and applies to all asset classes, industries and countries in which the Adviser and the Company, invest. To support the integration of its core principles, improve ESG practice, and enhance firm-wide ownership and accountability, Blue Owl formed a cross-functional ESG working group comprised of senior members of its Investment, Legal, Compliance, Investor Relations and Operations teams which is chaired by its Chief Operating Officer. In the first

quarter of 2022, Blue Owl hired its first Head of ESG, who is spearheading the development and enhancement of ESG capabilities across both corporate and investment activities.

Diversity, Equity, Inclusion and Community Impact

The Adviser and the Company are committed to fostering, cultivating and preserving a culture of diversity, equity and inclusion (“DEI”). Blue Owl has formalized its approach to DEI by adopting a DEI Policy and forming a DEI Advisory Council with rotating representation from its employee base. In 2021, Blue Owl also conducted an employee DEI survey in an effort to build its internal corporate DEI data and knowledge. Under the sponsorship of senior leadership and supported by regular employee engagement, the Adviser continues to embed DEI in its corporate practices and policies, including recruitment and hiring, professional development and training as well as social and recreational staff events and activities. In 2021, Blue Owl extended the women’s speaker series for staff and partners that highlights and provides access to senior women leaders in the finance industry. Blue Owl also offers several non-pipeline intern programs and placements; for example, its work with Opportunity Network focuses on placing participants from underrepresented or disadvantaged communities across Blue Owl’s business units, including business units that support the Company.

The Adviser and the Company take their roles as corporate citizens seriously and aim to leverage their resources for social change. Blue Owl has partnered with various organizations, including seeding a \$5 million community lending program that supports small, predominantly minority-owned businesses with interest-free loans; its employees also volunteer their time to assist in the credit decisions to deploy capital. It encourages and facilitates opportunities for staff to give back to the communities in which Blue Owl operates through financial support and in-kind donations of its employees’ time. Early in 2020, \$1 million was donated to Food Bank For New York City to assist with relief efforts relating to the COVID-19 pandemic and in 2021, Blue Owl supported local organizations in education, mental health and food security for children and members of underprivileged communities. Blue Owl’s recent activities include supporting organizations like Kids in Crisis, Projects with Care and MEND Farm-to-Food Bank.

Election of Officers

Executive officers hold their office until their successors have been duly elected and qualified, or until the earlier of their resignation or removal.

Compensation Discussion and Analysis

The Company does not currently have any employees and does not expect to have any employees. Services necessary for the Company’s business are provided by individuals who are employees of the Adviser or its affiliates, pursuant to the terms of the Investment Advisory Agreement and the Company’s amended and restated administration agreement (the “Administration Agreement”), as applicable. The Company’s day-to-day investment and administrative operations are managed by the Adviser. Most of the services necessary for the origination and management of the Company’s investment portfolio will be provided by investment professionals employed by the Adviser or its affiliates.

None of the Company’s executive officers will receive direct compensation from us. The Company will reimburse the Adviser the allocable portion of the compensation paid by the Adviser (or its affiliates) to the Company’s Chief Compliance Officer and Chief Financial Officer and their respective staffs (based on the percentage of time such individuals devote, on an estimated basis, to the Company’s business and affairs, and as otherwise set forth in the Administration Agreement). Members of the Adviser’s investment committee (the “Investment Committee”), through their financial interests in the Adviser, are entitled to a portion of the profits earned by the Adviser, which includes any fees payable to the Adviser under the terms of the Investment Advisory Agreement, less expenses incurred by the Adviser in performing its services under the Investment Advisory Agreement.

Director Compensation

No compensation is expected to be paid to the Company's directors who are "interested persons," as such term is defined in Section 2(a)(19) of the 1940 Act. The Company's directors who do not also serve in an executive officer capacity for the Company or the Adviser are entitled to receive annual cash retainer fees, fees for participating in in-person board and committee meetings and annual fees for serving as a committee chairperson. These directors are Edward D'Alelio, Christopher M. Temple, Eric Kaye, Melissa Weiler and Victor Woolridge. The Company pays each Independent Director the following amounts for serving as a director:

Annual Cash Retainer	Board Meeting Fee	Annual Committee Chair Cash Retainer			Committee Meeting Fee
		Chair of the Board	Audit	Committee Chair	
\$150,000	\$ 2,500	\$ 25,000	\$ 15,000	\$ 5,000	\$ 1,000

The Company also reimburses each of the directors for all reasonable and authorized business expenses in accordance with the Company's policies as in effect from time to time, including reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and each committee meeting not held concurrently with a board meeting.

The table below sets forth the compensation received by each director from the Company and the Fund Complex for service during the fiscal year ended December 31, 2021:

Compensation of the Investment Adviser

The Company pays the Adviser an investment advisory fee for its services under the Investment Advisory Agreement consisting of two components: a management fee (the "Management Fee") and an incentive fee (the "Incentive Fee"). The cost of both the Management Fee and the Incentive Fee ultimately will be borne by the Company's shareholders.

The Management Fee is payable quarterly in arrears. The Management Fee is payable at an annual rate of (x) 1.5% of the Company's average gross assets excluding cash and cash equivalents but including assets purchased with borrowed amounts, that is above an asset coverage ratio of 200% calculated in accordance with Sections 18 and 61 of the 1940 Act and (y) 1.00% of the Company's average gross assets (excluding cash and cash equivalents, but including assets purchased with borrowed amounts) that is below an asset coverage ratio of 200% calculated in accordance with Sections 18 and 61 of the 1940 Act, in each case at the end of the two most recently completed calendar quarters payable quarterly in arrears. The Management Fee for any partial month or quarter, as the case may be, will be appropriately prorated and adjusted for any share issuances or repurchases during the relevant calendar months or quarters, as the case may be. For purposes of the Investment Advisory Agreement, gross assets means the Company's total assets determined on a consolidated basis in accordance with generally accepted accounting principles in the United States, excluding cash and cash equivalents, but including assets purchased with borrowed amounts.

Pursuant to the Investment Advisory Agreement, the Adviser is entitled to an Incentive Fee which consists of two components that are independent of each other, with the result that one component may be payable even if the other is not. A portion of the Incentive Fee is based on the Company's income and a portion is based on the Company's capital gains, each as described below. The portion of the Incentive Fee based on income is determined and paid quarterly in arrears commencing with the first calendar quarter following July 18, 2019 (the "Listing Date"), and equals 100% of the pre-Incentive Fee net investment income in excess of a 1.5% quarterly "hurdle rate," until the Adviser has received 17.5% of the total pre-Incentive Fee net investment income for that calendar quarter and, for pre-Incentive Fee net investment income in excess of 1.82% quarterly, 17.5% of all remaining pre-Incentive Fee net investment income for that calendar quarter. The 100% "catch-up" provision for pre-Incentive Fee net investment income in excess of the 1.5% "hurdle rate" is intended to provide the Adviser with an incentive fee of 17.5% on all pre-Incentive Fee net investment income when that amount equals 1.82% in a calendar quarter (7.27% annualized), which is the rate at which catch-up is achieved. Once the "hurdle rate" is reached and catch-up is achieved, 17.5% of any pre-Incentive Fee net investment income in excess of 1.82% in any calendar quarter is payable to the Adviser.

Pre-Incentive Fee net investment income means dividends (including reinvested dividends), interest and fee income accrued by the Company during the calendar quarter, minus operating expenses for the calendar quarter (including the Management Fee, expenses payable under the Administration Agreement, as discussed below, and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest ("PIK") and zero coupon securities), accrued income that the Company may not have received in cash. The Adviser is not obligated to return the Incentive Fee it receives on PIK interest that is later determined to be uncollectible in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

To determine whether pre-Incentive Fee net investment income exceeds the hurdle rate, pre-Incentive Fee net investment income is expressed as a rate of return on the value of the Company's net assets at the end of the immediately preceding calendar quarter commencing with the first calendar quarter following the Listing Date. Because of the structure of the Incentive Fee, it is possible that the Company may pay an Incentive Fee in a calendar quarter in which the Company incurs a loss. For example, if the Company receives pre-Incentive Fee net investment income in excess of the quarterly hurdle rate, the Company will pay the applicable Incentive Fee even if the Company has incurred a loss in that calendar quarter due to realized and unrealized capital losses. In addition, because the quarterly hurdle rate is calculated based on the Company's net assets, decreases in the Company's net assets due to realized or unrealized capital losses in any given calendar quarter may increase the likelihood that the hurdle rate is reached and therefore the likelihood of the Company paying an Incentive Fee for that calendar quarter. The Company's net investment income used to calculate this component of the Incentive Fee is also included in the amount of the Company's gross assets used to calculate the Management Fee because

gross assets are total assets (including cash received) before deducting liabilities (such as declared dividend payments).

The following is a graphical representation of the calculation of the income-related portion of the incentive fee:

**Quarterly Subordinated Incentive Fee on
Pre-Incentive Fee Net Investment Income
(expressed as a percentage of the value of net assets)**

The second component of the Incentive Fee, the Capital Gains Incentive Fee, payable at the end of each calendar year in arrears, equals 17.5% of cumulative realized capital gains from the Listing Date to the end of each calendar year, less cumulative realized capital losses and unrealized capital depreciation from the Listing Date to the end of each calendar year. Each year, the fee paid for the Capital Gains Incentive Fee is net of the aggregate amount of any previously paid Capital Gains Incentive Fee for prior periods. The Company will accrue, but will not pay, a Capital Gains Incentive Fee with respect to unrealized appreciation because a Capital Gains Incentive Fee would be owed to the Adviser if the Company were to sell the relevant investment and realize a capital gain. For the sole purpose of calculating the Capital Gains Incentive Fee, the cost basis as of the Listing Date for all of the Company's investments made prior to the Listing Date will be equal to the fair market value of such investments as of the last day of the quarter in which the Listing Date occurred; provided, however, that in no event will the Capital Gains Fee payable pursuant to the Investment Advisory Agreement be in excess of the amount permitted by the Advisers Act, including Section 205 thereof.

The fees that are payable under the Investment Advisory Agreement for any partial period will be appropriately prorated.

Certain Relationships and Related Party Transactions

The Company has entered into both the Investment Advisory Agreement and the Administration Agreement with the Adviser. The Adviser is registered with the U.S. Securities and Exchange Commission as an investment adviser under the Investment Advisers Act of 1940, as amended, an indirect subsidiary of Blue Owl and part of Owl Rock, a division of Blue Owl focused on direct lending. Blue Owl consists of three divisions: Owl Rock, which focuses on direct lending and is currently comprised of the Owl Rock Advisers, Dyal, which focuses on providing capital solutions to institutional alternative asset managers and Oak Street, which focuses on real estate strategies.

Pursuant to the Investment Advisory Agreement, the Company will pay the Adviser a base management fee and an incentive fee. See "Corporate Governance — Compensation of the Investment Adviser" for a description of how the fees payable to the Adviser will be determined. Pursuant to the Administration Agreement, the Company will reimburse the Adviser for expenses necessary to perform services related to the Company's

administration and operations. In addition, the Adviser or its affiliates may engage in certain origination activities and receive attendant arrangement, structuring or similar fees from portfolio companies.

The Company's executive officers, certain of the Company's directors and certain other finance professionals of Blue Owl also serve as executives of the Owl Rock Advisers and officers and directors of the Company and certain professionals of Blue Owl and the Adviser are officers of Blue Owl Securities LLC. In addition, the Company's executive officers and directors and the members of the Adviser and members of the Investment Committee serve or may serve as officers, directors or principals of entities that operate in the same, or a related, line of business as the Company does including serving on their respective investment committees and/or on the investment committees of investments funds, accounts or other investment vehicles managed by the Company's affiliates. These investment funds, accounts or other investment vehicles may have investment objectives similar to the Company's investment objectives.

At times, the Company may compete with other entities managed by the Adviser as well as entities managed by the other Owl Rock Advisers and affiliates of Blue Owl, including the other Owl Rock BDCs and funds managed by the Adviser or its affiliates comprising Owl Rock (together with the Company, the "Owl Rock Clients") and the private funds managed by Dyal (the "Dyal Clients") and the accounts managed by Oak Street (the "Oak Street Clients" and together with the Owl Rock Clients and the Dyal Clients, the "Blue Owl Clients"), for capital and investment opportunities. As a result, the Company may not be given the opportunity to participate or participate fully in certain investments made by the Blue Owl Clients. This can create a potential conflict when allocating investment opportunities among the Company and such other Blue Owl Clients. An investment opportunity that is suitable for multiple clients of the Adviser and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. However, in order for the Adviser and its affiliates to fulfill their fiduciary duties to each of their clients, the Owl Rock Advisers have put in place an investment allocation policy that seeks to ensure the fair and equitable allocation of investment opportunities over time between the Owl Rock Clients and other funds managed by the Adviser and its affiliates and addresses the co-investment restrictions set forth under the 1940 Act.

Allocation of Investment Opportunities

The Owl Rock Advisers intend to allocate investment opportunities in a manner that is fair and equitable over time and is consistent with its investment allocation policy, so that no client of the Adviser or its affiliates is disadvantaged in relation to any other client of the Adviser or its affiliates, taking into account such factors as the relative amounts of capital available for new investments, cash on hand, existing commitments and reserves, the investment programs and portfolio positions of the participating investment accounts, the clients for which participation is appropriate, targeted leverage level, targeted asset mix and any other factors deemed appropriate. The Owl Rock Advisers intend to allocate common expenses among the Company and other clients of the Adviser and its affiliates in a manner that is fair and equitable over time or in such other manner as may be required by applicable law or the Investment Advisory Agreement. Fees and expenses generated in connection with potential portfolio investments that are not consummated will be allocated in a manner that is fair and equitable over time and in accordance with policies adopted by the Owl Rock Advisers and the Investment Advisory Agreement.

The Owl Rock Advisers have put in place an investment allocation policy that seeks to ensure the equitable allocation of investment opportunities over time between the Owl Rock Clients and other funds managed by the Adviser and its affiliates and addresses the co-investment restrictions set forth under the 1940 Act. When the Company engages in co-investments as permitted by the exemptive relief described below, the Company will do so in a manner consistent with the Owl Rock Advisers' investment allocation policy.

In situations where co-investment with other entities managed by the Adviser or its affiliates is not permitted or appropriate, such as when there is an opportunity to invest in different securities of the same issuer,

a committee comprised of certain executive officers of the Owl Rock Advisers (including executive officers of the Adviser) along with other officers and employees, will need to decide whether the Company or such other entity or entities will proceed with the investment. The allocation committee will make these determinations based on the Owl Rock Advisers' allocation policy, which generally requires that such opportunities be offered to eligible accounts in a manner that will be fair and equitable over time.

As a result of exemptive relief, there could be significant overlap in the Company's investment portfolio and the investment portfolio of other funds managed by Owl Rock that could avail themselves of the exemptive relief and that have an investment objective similar to the Company's.

The Owl Rock Advisers' investment allocation policy is designed to manage the potential conflicts of interest between the Adviser's fiduciary obligations to the Company and its or its affiliates' similar fiduciary obligations to other clients, including the Owl Rock Clients, however, there can be no assurance that the Owl Rock Advisers' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to the Company. Not all conflicts of interest can be expected to be resolved in the Company's favor.

The allocation of investment opportunities among the Company and any of the other investment funds sponsored or accounts managed by the Adviser or its affiliates may not always, and often will not, be proportional. In general, pursuant to the Owl Rock Advisers' investment allocation policy, the process for making an allocation determination includes an assessment as to whether a particular investment opportunity (including any follow-on investment in, or disposition from, an existing portfolio company held by the Company or another investment fund or account) is suitable for the Company or another investment fund or account including the Owl Rock Clients. In making this assessment, the Owl Rock Advisers may consider a variety of factors, including, without limitation: the investment objectives, guidelines and strategies applicable to the investment fund or account; the nature of the investment, including its risk-return profile and expected holding period; portfolio diversification and concentration concerns; the liquidity needs of the investment fund or account; the ability of the investment fund or account to accommodate structural, timing and other aspects of the investment process; the life cycle of the investment fund or account; legal, tax and regulatory requirements and restrictions, including, as applicable, compliance with the 1940 Act (including requirements and restrictions pertaining to co-investment opportunities discussed below); compliance with existing agreements of the investment fund or account; the available capital of the investment fund or account; diversification requirements for BDCs or regulated investment companies; the gross asset value and net asset value of the investment fund or account; the current and targeted leverage levels for the investment fund or account; and portfolio construction considerations. The relevance of each of these criteria will vary from investment opportunity to investment opportunity. In circumstances where the investment objectives of multiple investment funds or accounts regularly overlap, while the specific facts and circumstances of each allocation decision will be determinative, the Owl Rock Advisers may afford prior decisions precedential value.

Pursuant to the Owl Rock Advisers' investment allocation policy, if through the foregoing analysis, it is determined that an investment opportunity is appropriate for multiple investment funds or accounts, the Owl Rock Advisers generally will determine the appropriate size of the opportunity for each such investment fund or account. If an investment opportunity falls within the mandate of two or more investment funds or accounts, and there are no restrictions on such funds or accounts investing with each other, then each investment fund or account will receive the amount of the investment that it is seeking, as determined based on the criteria set forth above.

Certain allocations may be more advantageous to the Company relative to one or all of the other investment funds, or vice versa. While the Owl Rock Advisers will seek to allocate investment opportunities in a way that it believes in good faith is fair and equitable over time, there can be no assurance that the Company's actual allocation of an investment opportunity, if any, or terms on which the allocation is made, will be as favorable as they would be if the conflicts of interest to which the Adviser may be subject did not exist.

Co-Investment Opportunities

As a BDC, the Company is subject to certain regulatory restrictions in negotiating certain investments with entities with which the Company may be restricted from doing so under the 1940 Act, such as the Adviser and its affiliates, unless it obtains an exemptive order from the SEC.

The Company, the Adviser and certain of the Company's affiliates have been granted exemptive relief by the SEC to co-invest with other funds managed by the Adviser or its affiliates in a manner consistent with the Company's investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors. Pursuant to such exemptive relief, the Company generally is permitted to co-invest with certain of its affiliates if a "required majority" (as defined in Section 57(o) of the 1940 Act) of the Independent Directors make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the transaction, including the consideration to be paid, are reasonable and fair to the Company and its shareholders and do not involve overreaching of the Company or its shareholders on the part of any person concerned, (2) the transaction is consistent with the interests of the Company's shareholders and is consistent with the Company's investment objective and strategies, (3) the investment by the Company's affiliates would not disadvantage the Company, and the Company's participation would not be on a basis different from or less advantageous than that on which the Company's affiliates are investing, and (4) the proposed investment by the Company would not benefit the Adviser or its affiliates or any affiliated person of any of them (other than the parties to the transaction), except to the extent permitted by the exemptive relief and applicable law, including the limitations set forth in Section 57(k) of the 1940 Act. The Owl Rock Advisers' investment allocation policy seeks to ensure equitable allocation of investment opportunities between the Company, and the other funds managed by the Adviser and its affiliates. See "Certain Relationships and Related Party Transactions."

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee is required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

License Agreement

The Company has entered into a license agreement (the "License Agreement"), pursuant to which an affiliate of Blue Owl has granted the Company a non-exclusive license to use the name "Owl Rock." Under the License Agreement, the Company has a right to use the Owl Rock name for so long as the Adviser or one of its affiliates remains the Company's investment adviser. Other than with respect to this limited license, the Company has no legal right to the "Owl Rock" name or logo.

Material Non-Public Information

The Company's senior management, members of the Investment Committee and other investment professionals from the Adviser may serve as directors of, or in a similar capacity with, companies in which the Company invests or in which the Company is considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict the Company's ability to buy or sell the securities of such company under the policies of the company or applicable law.

Required Vote

The affirmative vote of the majority of votes cast on the proposal will determine the outcome of the proposal. For the proposal, "abstain" votes and broker non-votes, if any, will count as shares represented at the meeting for purpose of establishing a quorum but will have no effect on the outcome of the vote.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

KPMG LLP, New York, New York, has been appointed by the Board to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022. KPMG LLP acted as the Company's independent registered public accounting firm for the fiscal years ended December 31, 2018, December 31, 2019, December 31, 2020 and December 31, 2021. The Company knows of no direct financial or material indirect financial interest of KPMG LLP in the Company. A representative of KPMG LLP will be available to answer questions during the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so.

Although action by the shareholders on this matter is not required, the Audit Committee and the Board believes it is appropriate to seek shareholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. If a quorum is present at the Annual Meeting and the appointment of KPMG LLP as independent registered public accounting firm for the fiscal year ending December 31, 2022 is not ratified by the shareholders, the adverse vote will be considered by the Audit Committee in determining whether to appoint KPMG LLP as the Company's independent registered public accounting firm for the succeeding fiscal year.

Fees

Set forth in the table below are audit fees, audit-related fees, tax fees and all other fees billed to the Company by KPMG LLP for professional services performed for the fiscal years ended December 31, 2021 and December 31, 2020:

	For the Fiscal Year ended December 31, 2021	For the Fiscal Year ended December 31, 2020
Audit Fees	\$ 1,292,000	\$ 1,309,000
Audit-Related Fees(1)	—	—
Tax Fees	252,540	131,200
All Other Fees(2)	—	—
Total Fees	<u>\$ 1,544,540</u>	<u>\$ 1,440,200</u>

(1) "Audit-Related Fees" are those fees billed to the Company by KPMG LLP for services provided by KPMG LLP.

(2) "All Other Fees" are those fees, if any, billed to the Company by KPMG LLP in connection with permitted non-audit services.

Pre-Approval Policies and Procedures

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Audit Committee Report

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and KPMG LLP, the Company's independent registered public accounting firm, the Company's consolidated financial statements as of and for the year ended December 31, 2021, as filed with the SEC as part of the Company's annual report on Form 10-K for the fiscal year ended December 31, 2021. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with KPMG LLP the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, *Communications with Audit Committees*, as amended, and by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by KPMG LLP in order to assure that the provision of such services does not impair the firm's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by KPMG LLP to management.

The Audit Committee received and reviewed the written disclosures and the letter from KPMG LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP's communications with the Audit Committee concerning independence, and has discussed with KPMG LLP its independence. The Audit Committee has reviewed the audit fees paid by the Company to KPMG LLP. It also has reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting KPMG LLP from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company as of and for the year ended December 31, 2021 be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the SEC. The Audit Committee also recommended the appointment of KPMG LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2022.

Audit Committee Members:

Christopher M. Temple, Chairman
Edward D'Alelio

Required Vote

The affirmative vote of the majority of votes cast on the proposal will determine the outcome of the proposal. For the proposal, “abstain” votes and broker non-votes, if any, will count as shares represented at the meeting for purpose of establishing a quorum but will have no effect on the outcome of the vote.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022.
