**2023 PROXY STATEMENT AND
NOTICE OF ANNUAL MEETING OF SHAREHOLDERS**

Dear Shareholder:

We present this year's Proxy Statement and invite you to join the annual meeting of shareholders of Owl Rock Capital Corporation (the "Company," "we" or "us") to be held on June 21, 2023 at 9:00 a.m., Eastern Time (the "Annual Meeting"). The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast.

The Notice of the Annual Meeting and proxy statement accompanying this letter provide an outline of the business to be conducted at the meeting. The Annual Meeting is being held to elect two members of the board of directors of the Company (the "Board"); and to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm.

The Company's Board unanimously recommends that you vote **FOR each of the proposals to be considered and voted on at the Annual Meeting.**

Craig W. Packer
CEO, President and Director

Our Year

We had an outstanding year in 2022, achieving our highest net investment income since our IPO in 2019, despite volatility and uncertainty across the markets. We have specifically designed our portfolio for durability by focusing on originating loans for high quality, sponsor-backed upper middle-market companies in recession-resistant sectors. We believe our highly diversified portfolio will exhibit continued resilience, even in a slowing economy.

Our Strategy

Owl Rock Capital Corporation provides direct lending solutions to U.S. middle-market companies. Our portfolio consists of predominantly senior secured loans that are directly originated by the Adviser's team of investment professionals. When we founded the company and started investing in 2016, quite simply, our goal was to build a market-leading direct lending platform with distinctive competitive advantages.

As a financing partner to the middle-market, we feel scale is very important in the direct lending space. Our size and experience allow us to see bigger deals, work with more established partners, and lend to bigger companies. Our approach mitigates risk and seeks to maintain excellent credit quality. This allows us to serve as a distinctive and valued financing partner for high-quality borrowers and private equity sponsors.

To support our scale, the Adviser has built a team of more than 100 professionals with deep understanding of origination, underwriting, and portfolio monitoring. This structure ensures we are seeing the best opportunities, employing a disciplined approach, and maintaining an ongoing partnership with our portfolio companies.

Over the years, we have reviewed thousands of opportunities from hundreds of different sponsors, and we have chosen to invest in only a small percentage. Our scale, coupled with our direct origination model, allows us to invest in stable, upper-middle market companies, which we believe are often more durable businesses and better able to navigate economic cycles. Our underwriting is focused on top-line stability and limiting downside risk, and we perform detailed private-side due diligence before making investments.

We have built a fully invested, seasoned and well diversified portfolio. Owl Rock Capital Corporation also benefits from the Adviser's ability to source larger investment sizes and control economic terms and documentation while maintaining portfolio diversification and the ability to have investments allocated across the Adviser's entire credit platform.

Highlights of 2022 Results*

Our continued credit performance drove strong investment income for 2022, up 18% from the prior year. While earnings momentum was bolstered by higher base rates as interest rates increased, we have also been diligently working to increase the spread in the portfolio, up 20 basis points in 2022, while maintaining the majority of our portfolio in first lien investments. As a result, our average asset yield in the portfolio increased by over 300 basis points to 11%. In addition, our internal credit ratings have remained consistent quarter over quarter with approximately 90% of our portfolio performing in-line with or above expectations.

[Table of Contents](#)

For the full year, our new investment commitments totaled nearly \$1.8 billion across 52 new portfolio companies and 23 existing portfolio companies. We have also continued to invest in specialty finance companies and to pursue portfolio growth through strategic equity investments. The portfolio is generating very attractive risk-adjusted asset yields, and we have worked hard to position it for success.

Prioritization of Shareholder Returns

We announced several capital actions in 2022 to enable shareholders to benefit from our earnings momentum, including increasing the regular quarterly dividend and introducing a formulaic supplemental dividend that is equal to 50% of earnings in excess of our regular dividend each quarter. With this new dividend structure and at the share price as of the date of this letter, the resulting dividend level would generate an annualized dividend yield of over 11%.

Additionally, on November 1, 2022, the Board approved the 2022 Repurchase Program, which allows the Company to repurchase up to \$150 million of its common stock. In addition, certain affiliates and employees of Blue Owl Capital Inc., the Adviser's parent company, participated in an investment vehicle to purchase up to \$25 million of our common stock. So far under this program, through February 17, 2023, a total of \$52 million of common stock had been purchased, of which \$35 million was bought by Owl Rock Capital Corporation. Together, we believe these capital allocation priorities will benefit total returns for our shareholders.

Investing Responsibly and Fostering Diversity, Equity and Inclusion

As discussed in more detail in this proxy statement, we and the Adviser recognize the importance of Environmental, Social and Governance (ESG) risk and opportunities and are committed to the consideration of these factors in relation to our business operations and investment activities. We and the Adviser are also committed to fostering and preserving a culture of diversity, equity and inclusion and seek to engage with our stakeholders to support the causes most important to our communities.

Outlook

As we look to 2023, we are prepared for the possibility of a more challenging economic environment. We have built our portfolio to be resilient across varying scenarios and we are confident in the portfolio's versatility, even in the event of economic headwinds. We believe we will have continued strong credit performance and any defaults or potential losses in our portfolio will be manageable and offset by the continued strength of our earnings.

It is important that your shares of the Company's common stock be represented at the Annual Meeting. If you are unable to attend the Annual Meeting virtually, I urge you to complete, date and sign the enclosed proxy card and return it in the envelope provided, or follow the instructions printed on the Notice of Internet Availability of Proxy Materials or the proxy card to authorize your vote through the internet. Your vote and participation in the governance of the Company are very important.

We are excited about our future and the ways in which we are delivering differentiated returns to shareholders. On behalf of myself, and our entire team, I want to express my thanks for your support. We remain optimistic about our strategy and outlook.

Sincerely yours,

Craig W. Packer
Chief Executive Officer, President and Director

Q: Does the Board recommend voting for each of the Proposals?

A: Yes. The Board unanimously recommends that you vote "FOR" each of the proposals.

Q: Why does the Board recommend voting FOR Proposal 1, the election of each of Messrs. Kaye and Woolridge?

A: Mr. Kaye is currently the Chairman of the Nominating and Corporate Governance Committee and Compensation Committee and has served in that capacity since 2016. He is the founder of Kayezen, LLC, a physical therapy and fitness equipment design company. Prior to founding Kayezen, LLC, Mr. Kaye served as a Vice Chairman and Managing Director of UBS Investment Bank, and a member of the division's Global Operating and U.S. Executive Committees, from June 2001 to May 2012. The Board believes Mr. Kaye's numerous management positions and experiences in the middle market make him well qualified to serve on the Board.

Mr. Woolridge has served on the Board since November 2021. Mr. Woolridge was formerly a Managing Director of Barings Real Estate Advisers, LLC, the real estate investment unit of Barings LLC, a global asset management firm. Mr. Woolridge most recently served as Head of the U.S. Capital Markets for Equity Real Estate Funds at Barings. The Board believes Mr. Woolridge's numerous management positions and broad experiences in the asset management and financial services sector provide him with skills and valuable insight in handling complex financial transactions and issues, all of which make him well qualified to serve on the Board.

Mr. Kaye has served the Company since its founding in 2016 and Mr. Woolridge has served on the Board since 2021. The Board believes this history and familiarity with the Owl Rock investment platform make Messrs. Kaye and Woolridge beneficial members of the Board.

Q: Why does the Board recommend voting FOR Proposal 2, to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm?

A: KPMG LLP acted as the Company's independent registered public accounting firm for the 2016-2022 fiscal years and has been appointed by the Board to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023. The Board has submitted the selection of KPMG LLP to shareholders for ratification as a matter of good corporate governance. Although action by the shareholders on this matter is

not required, the Audit Committee and the Board believe it is appropriate to seek shareholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements.

2023 Proxy Statement 3

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

The accompanying proxy is solicited on behalf of the Board for use at the Annual Meeting to be held on June 21, 2023 at 9:00 a.m., Eastern Time. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast. Only holders of record of our common stock at the close of business on March 24, 2023, which is the Record Date, will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, we had 390,921,161 shares of common stock, par value \$0.01 per share (the "Shares") outstanding and entitled to vote. This proxy statement, including the accompanying form of proxy (collectively, the "Proxy Statement"), or a Notice of Internet Availability of Proxy Materials containing instructions on how to access the Proxy Statement and annual report on Form 10-K for the fiscal year ended December 31, 2022 (the "Annual Report"), and how to submit proxies over the internet are first being sent to shareholders on or about March 31, 2023. The Proxy Statement and Annual Report can both be accessed online at www.proxyvote.com.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if a proxy is properly executed and received by the Company (and not revoked) prior to the Annual Meeting, the Shares represented by the proxy will be voted (1) **FOR** the election of two members of the Board to serve until the 2026 annual meeting of shareholders and until their successors are duly elected and qualified, and (2) **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Should any matter not described above be properly presented at the Annual Meeting, the named proxies will vote in accordance with their best judgment as permitted.

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the Record Date.

The Annual Meeting is being held for the following purposes:

1. To elect two members of the Board to serve until the 2026 annual meeting of shareholders and until their successors are duly elected and qualified; and
2. To ratify the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

Quorum Required

A majority of the outstanding Shares must be present or represented by proxy at the Annual Meeting in order to have a quorum. If you have properly voted by proxy via internet or mail, you will be considered part of the quorum. We will count "abstain" votes as present for the purpose of establishing a quorum for the transaction of business at the Annual Meeting. If at any time Shares are held through brokers, we will count broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding Shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters.

PROPOSAL 1: ELECTION OF DIRECTORS

At the Annual Meeting, shareholders of the Company are being asked to consider the election of two directors of the Company. Pursuant to the Company's bylaws, the number of directors on the Board may not be fewer than the minimum number required by the Maryland General Corporation Law, or greater than eleven. Under the Company's Articles of Amendment and Restatement (the "Charter"), the directors are divided into three classes. Each class of directors holds office for a three-year term. The Board currently consists of six directors who serve in the following classes: Class I (terms ending at the Annual Meeting) — Eric Kaye and Victor Woolridge; Class II (terms ending at the 2024 annual meeting of shareholders) — Christopher M. Temple and Melissa Weiler; and Class III (terms ending at the 2025 annual meeting of shareholders) — Edward D'Alelio and Craig W. Packer. See "Corporate Governance — The Board" beginning on page 20 for more information regarding the composition of the Board.

Eric Kaye and Victor Woolridge each has been nominated for election by the Board to serve a three-year term until the 2026 annual meeting of shareholders and until each of their successors are duly elected and qualified. Each director nominee has agreed to serve as a director if re-elected and has consented to being named as a nominee.

A shareholder can vote for, against or abstain from voting for any or all of the director nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each of the director nominees named below. If any of the director nominees should decline or be unable to serve as a director, the persons named as proxies will vote for such other nominee as may be proposed by the Board's Nominating and Corporate Governance Committee.** The Board has no reason to believe that any of the persons named as director nominees will be unable or unwilling to serve.

Required Vote

Each director nominee shall be elected by a majority of all the votes cast at the Annual Meeting in person (virtually) or by proxy, provided that a quorum is present. Abstentions will not be included in determining the number of votes cast and, as a result, will not have any effect on the result of the vote with respect to the Director Proposal. There will be no cumulative voting with respect to Proposal 1.

CORPORATE GOVERNANCE

The Board

Board Composition

The Board consists of six members. The Board is divided into three classes, with the members of each class serving staggered, three-year terms. The terms of the Company's Class I directors will expire at the Annual Meeting; the terms of the Company's Class II directors will expire at the 2024 annual meeting of shareholders; and the terms of the Company's Class III directors will expire at the 2025 annual meeting of shareholders.

The Board believes that a classified board of directors serves the best interests of the Company and its shareholders by promoting the continuity and stability of the Company and its business. A staggered election of directors means that over time the Company can ensure that, at any given time, at least a majority of the directors will have had prior experience on the Board. The Board also believes that classification may enhance the Company's ability to attract and retain well-qualified directors who are able to commit the necessary time and resources to understand the Company, its business affairs and operations. The Board believes that the continuity and quality of leadership that results from a staggered Board enhances long-term planning and promotes the long-term value of the Company. Three-year terms provide the Company's directors an appropriate amount of time to develop a deeper and more thorough understanding of the Company's business, competitive environment and strategic goals. Experienced directors are better positioned to provide effective oversight and advice consistent with the best interests of the stockholders. Staggered terms for directors may also moderate the pace of change in the Board by extending the time required to elect a majority of directors from one to three annual meetings of shareholders.

Messrs. Kaye and Woolridge serve as Class I directors (with terms expiring at the Annual Meeting). Mr. Temple and Ms. Weiler serve as Class II directors (with terms expiring in 2024). Messrs. D'Alelio and Packer serve as Class III directors (with terms expiring in 2025).

Independent Directors

NYSE corporate governance rules require that listed companies have a board of directors consisting of a majority of independent directors, and the Company's Charter requires that a majority of the Board consist of directors who are not "interested persons" of the Company, the Adviser, or any of their respective affiliates, as defined in the 1940 Act ("Independent Directors"). On an annual basis, each member of the Company's Board is required to complete a questionnaire designed to provide information to assist the Board in determining whether the director is independent under NYSE corporate governance rules, the Exchange Act, the 1940 Act and the Company's corporate governance guidelines. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee to Independent Directors.

Based on these independence standards and the recommendation of the Nominating Committee, after reviewing all relevant transactions and relationships between each director, or any of his family members, and the Company, the Adviser, or of any of their respective affiliates, the Board has determined that Messrs. Kaye, Temple, D'Alelio, and Woolridge and Ms. Weiler qualify as Independent Directors. Each director who serves on the Audit Committee is an independent director for purposes of Rule 10A-3 under the Exchange Act.

Interested Directors

Mr. Packer is considered an "interested person" (as defined in the 1940 Act) of the Company since he is an officer of the Adviser.

Meetings and Attendance

The Board met sixteen times during 2022 and acted on various occasions by written consent. Each of the incumbent directors attended at least 75% of the aggregate number of Board meetings held during the period for which they were a director in 2022 and meetings of the committee(s) on which they served during 2022.

Board Attendance at the Annual Meeting

The Company's policy is to encourage its directors to attend each annual meeting; however, such attendance is not required at this time. Four of the Company's directors attended the 2022 annual meeting of shareholders.

Board Leadership Structure and Oversight Responsibilities

Overall responsibility for the Company's oversight rests with the Board. The Company has entered into a third amended and restated investment advisory agreement (the "Investment Advisory Agreement"), pursuant to which the Adviser will manage the Company on a day-to-day basis. The Board is responsible for overseeing the Adviser and the Company's other service providers in accordance with the provisions of the 1940 Act, applicable provisions of state and other laws and the Company's charter. The Board is currently composed of six members, five of whom are directors who are not "interested persons" of the Company or the Adviser as defined in the 1940 Act.

The Board meets in person at regularly scheduled quarterly meetings each year. In addition, the Board may act by unanimous written consent and hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings.

As described below, the Board has established an Audit Committee, a Nominating and Corporate Governance Committee ("Nominating Committee") and a Compensation Committee, and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities.

The Board has appointed Edward D'Alelio, an Independent Director, to serve in the role of Chairman of the Board. The Chairman's role is to preside at all meetings of the Board and to act as a liaison with the Adviser, counsel and other directors generally between meetings. The Chairman serves as a key point person for dealings between management and the directors. The Chairman also may perform such other functions as may be delegated by the Board from time to time. The Board reviews matters related to its leadership structure annually. The Board has determined that the Board's leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among committees of directors and the full Board in a manner that enhances effective oversight.

The Company is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Company and is addressed as part of various Board and committee activities. Day-to-day risk management functions are subsumed within the responsibilities of the Adviser and other service providers (depending on the nature of the risk), which carry out the Company's investment management and business affairs. The Adviser and other service providers employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and to mitigate the effects of such events or circumstances if they do occur. Each of the Adviser and other service providers has their own independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. The Board recognizes that it is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Company, the Board interacts with and reviews reports from, among others, the Adviser, the Company's chief compliance officer, the Company's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Company and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Communications with Directors

Shareholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Owl Rock Capital Corporation, 399 Park Avenue, 37th Floor, New York, New York 10022, Attention: Secretary.

Committees of the Board

The Board has an Audit Committee, a Nominating and Corporate Governance Committee (“Nominating Committee”) and a Compensation Committee, and may form additional committees in the future. A brief description of each committee is included in this Proxy Statement and the charters of the Audit, Nominating and Compensation Committees can be accessed on the Company’s website at www.owlrockcapitalcorporation.com.

As of the date of this Proxy Statement, the members of each of the Board’s committees are as follows:

Audit Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Audit Committee:

- assists the Board’s oversight of the integrity of the Company’s financial statements, the independent registered public accounting firm’s qualifications and independence, the Company’s compliance with legal and regulatory requirements and the performance of the Company’s independent registered public accounting firm;
- prepares an Audit Committee report, if required by the SEC, to be included in the Company’s annual proxy statement;
- oversees the scope of the annual audit of the Company’s financial statements, the quality and objectivity of the Company’s financial statements, accounting and financial reporting policies and internal controls;
- determines the selection, appointment, retention and termination of the Company’s independent registered public accounting firm, as well as approving the compensation thereof;
- pre-approves all audit and non-audit services provided to the Company and certain other persons by such independent registered public accounting firm; and
- acts as a liaison between the Company’s independent registered public accounting firm and the Board.

The Audit Committee had eight formal meetings in 2022.

The Board has determined that Christopher M. Temple is an “audit committee financial expert” as that term is defined under Item 407 of Regulation S-K of the Exchange Act, and otherwise satisfies the sophistication requirements of NYSE Rule 303A.07.

The current charter of the Audit Committee is available on the Company’s website at www.owlrockcapitalcorporation.com.

Each member of the Audit Committee simultaneously serves on the audit committees of three or more public companies, and the Board has determined that each member’s simultaneous service on the audit committees of other public companies does not impair such member’s ability to effectively serve on the Audit Committee.

Nominating Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Nominating Committee:

- (a) recommends to the Board persons to be nominated by the Board for election at the Company's meetings of the Company's shareholders, special or annual, if any, or to fill any vacancy on the Board that may arise between shareholder meetings;
- (b) makes recommendations with regard to the tenure of the directors;
- (c) is responsible for overseeing an annual evaluation of the Board and its committee structure to determine whether the structure is operating effectively; and
- (d) recommends to the Board the compensation to be paid to the Independent Directors.

The Nominating Committee will consider for nomination to the Board candidates submitted by the Company's shareholders or from other sources it deems appropriate.

The Nominating Committee had four formal meetings in 2022. The current charter of the Nominating Committee is available on the Company's website at www.owlrockcapitalcorporation.com.

Director Nominations

Nomination for election as a director may be made by, or at the direction of, the Nominating Committee or by shareholders in compliance with the procedures set forth in the Company's bylaws.

Shareholder proposals or director nominations to be presented at the annual meeting of shareholders, other than shareholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act, must be submitted in accordance with the advance notice procedures and other requirements set forth in the Company's bylaws. These requirements are separate from the requirements discussed below to have the shareholder nomination or other proposal included in the Company's proxy statement and form of proxy/voting instruction card pursuant to the SEC's rules.

The Company's bylaws require that the proposal or recommendation for nomination must be delivered to, or mailed and received at, the principal executive offices of the Company not earlier than the 150th day prior to the one year anniversary of the date the Company's proxy statement for the preceding year's annual meeting, and not later than the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. If the date of the annual meeting has changed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, shareholder proposals or director nominations must be so received not earlier than the 150th day prior to the date of such annual meeting and not later than the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The Company believes that this deadline is reasonable, as it affords sufficient time to print and send the proxy materials associated with annual meetings of shareholders.

In evaluating director nominees, the Nominating Committee considers, among others, the following factors:

- whether the individual possesses high standards of character and integrity, relevant experience, a willingness to ask hard questions and the ability to work well with others;
- whether the individual is free of conflicts of interest that would violate applicable law or regulation or interfere with the proper performance of the responsibilities of a director;
- whether the individual is willing and able to devote sufficient time to the affairs of the Company and be diligent in fulfilling the responsibilities of a director and Board Committee member;
- whether the individual has the capacity and desire to represent the balanced, best interests of the shareholder as a whole and not a special interest group or constituency; and
- whether the individual possesses the skills, experiences (such as current business experience or other such current involvement in public service, academia or scientific communities), particular areas of expertise, particular backgrounds, and other characteristics that will help ensure the effectiveness of the Board and Board committees.

[Table of Contents](#)

The Nominating Committee's goal is to assemble a board that brings to the Company a variety of perspectives and skills derived from high-quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating Committee also may consider other factors as they may deem are in the best interests of the Company and its shareholders. The Board also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Nominating Committee decides not to re-nominate a member for re-election, the Nominating Committee will identify the desired skills and experience of a new nominee in light of the criteria above. The members of the Board are polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third-party search firm, if necessary.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Nominating Committee considers and discusses diversity, among other factors, with a view toward the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board, when identifying and recommending director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of the Company and the interests of its shareholders.

Compensation Committee Governance, Responsibilities and Meetings

In accordance with its written charter adopted by the Board, the Compensation Committee:

- (a) determines, or recommends to the Board for determination, the compensation, if any, of the Company's Chief Executive Officer and all other executive officers;
- (b) assists the Board with matters related to compensation generally, except with respect to the compensation of the directors; and
- (c) may delegate its authority to subcommittees or the Chair of the Compensation Committee when it deems appropriate and in the best interests of the Company.

As none of the Company's executive officers are currently compensated by the Company, the Compensation Committee will not produce and/or review a report on executive compensation practices. The Compensation Committee had one formal meeting in 2022. The current charter of the Compensation Committee is available on the Company's website at www.owlrockcapitalcorporation.com.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is a current or former officer of the Company. No member of the Compensation Committee (i) has had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K under the Exchange Act, or (ii) is an executive officer of another entity, at which one of our executive officers serves on the Board.

Based on the Company's review of Forms 3, 4, and 5 filed by such persons and information provided by the Company's directors and officers, the Company believes that during the fiscal year ended December 31, 2022, all Section 16(a) filing requirements applicable to such persons were timely filed except for one Form 4 filing for Victor Woolridge which was filed late due to an administrative error.

Code of Business Conduct

The Company has adopted a Code of Business Conduct which applies to the Company's executive officers, including its Chief Executive Officer and Chief Financial Officer, as well as every officer, director and employee of the Company. The Company's Code of Business Conduct can be accessed on the Company's website at www.owlrockcapitalcorporation.com.

There have been no material changes to the Company's corporate code of ethics or material waivers of the code that apply to the Company's Chief Executive Officer or Chief Financial Officer. If the Company makes any substantive amendment to, or grants a waiver from, a provision of its Code of Business Conduct, the Company will promptly disclose the nature of the amendment or waiver on its website at www.owlrockcapitalcorporation.com as well as file a Form 8-K with the Securities and Exchange Commission.

Hedging, Speculative Trading, and Pledging of Securities

The Board has adopted, as part of the Company's insider trading policy, prohibitions against directors and officers of the Company and any director, officer or employee of the Company's investment advisor or administrator buying or selling puts or calls or other derivative securities based on the Company's securities (other than derivative securities issued by the Company, such as convertible notes). In addition, such persons are prohibited from (i) short-selling the Company's securities or entering into hedging or monetization transactions or similar arrangements with respect to the Company's securities, and (ii) pledging the Company's securities in a margin account or as collateral for a loan.

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines which are available on its website at www.owlrockcapitalcorporation.com.

Corporate Sustainability

Our and the Adviser's corporate sustainability efforts seek to deliver positive outcomes for our investors and the communities in which we operate. Our Board receives annual updates on the Adviser's strategy and initiatives, including ESG-related matters.

Investing Responsibly

We and the Adviser recognize the importance of ESG risks and opportunities and are committed to the consideration of these factors in relation to our business operations and investment activities. Blue Owl is a signatory to the United Nations Principles for Responsible Investment ("PRI") and incorporates core principles based on PRI standards into its ESG Policy. This policy applies to all asset classes, industries and countries in which Blue Owl does business and the funds it manages.

The Adviser believes that incorporating ESG factors into our corporate and investment practices has the potential to meaningfully contribute to our long-term financial success. The Adviser strives to continuously strengthen its ability to mitigate, manage, and monitor relevant ESG risks and opportunities within our investment portfolios. When the Adviser makes investments, it strives to analyze a wide array of considerations, risks, and potential rewards related to the prospective investment. This could include, but is not limited to, considering business-relevant ESG risks such as: regulatory, tax, governance, occupational health and safety, labor standards, geopolitical risk, etc. Further, the Adviser seeks to ensure compliance with applicable regulatory disclosure requirements, including ESG-related disclosure obligations.

Diversity, Equity and Inclusion

We and the Adviser are committed to fostering and preserving a culture of diversity, equity and inclusion. The Adviser prizes diversity in its team and seek to create an inclusive, merit-based environment that is supportive of people from all backgrounds. Blue Owl has formalized its approach by adopting a formal DEI Policy.

To further foster an inclusive culture, Blue Owl seeks to continue to establish relevant and appropriate employee resource groups. In 2022, it established The Parliament, a network for women with a mission to support, enhance, and advance the experience of women at Blue Owl and to enhance gender equity across the firm. Blue Owl has hosted events for The Parliament to highlight women leaders in the financial industry, provide connection and promote mental health. Blue Owl also works with select partners on DEI initiatives, including Black Women in Asset Management, 100 Women in Finance and The Opportunity Network. Blue Owl's signature partnership with The Opportunity Network launched a summer internship program for college students from backgrounds that are often underrepresented in the finance industry. This program includes training for both supervisors and interns, professional development sessions, networking opportunities and mentorship. In addition, Blue Owl has conducted DEI-related training on implicit bias for all of its employees.

Citizenship

Blue Owl seeks to engage with its stakeholders to support the causes most important to its communities. Blue Owl takes its role as a corporate citizen seriously and aims to leverage its resources for social good by contributing to meaningful causes and by partnering with various organizations to support the communities in which it operates and resides. Blue Owl encourages and facilitates opportunities for staff to give back to its communities, including through financial support and in-kind donations of its employees' time. In 2022, Blue Owl expanded its tradition of holiday giving to a global campaign across eight offices, partnering with local organizations to help children and families in need.

Election of Officers

Executive officers hold their office until their successors have been duly elected and qualified, or until the earlier of their resignation or removal.

Compensation Discussion and Analysis

The Company does not currently have any employees and does not expect to have any employees. Services necessary for the Company's business are provided by individuals who are employees of the Adviser or its affiliates, pursuant to the terms of the Investment Advisory Agreement and the Company's amended and restated administration agreement (the "Administration Agreement"), as applicable. The Company's day-to-day investment and administrative operations are managed by the Adviser. Most of the services necessary for the origination and management of the Company's investment portfolio will be provided by investment professionals employed by the Adviser or its affiliates.

None of the Company's executive officers will receive direct compensation from us. The Company will reimburse the Adviser the allocable portion of the compensation paid by the Adviser (or its affiliates) to the Company's Chief Compliance Officer and Chief Financial Officer and their respective staffs (based on the percentage of time such individuals devote, on an estimated basis, to the Company's business and affairs, and as otherwise set forth in the Administration Agreement). Members of the Adviser's investment committee (the "Investment Committee"), through their financial interests in the Adviser, are entitled to a portion of the profits earned by the Adviser, which includes any fees payable to the Adviser under the terms of the Investment Advisory Agreement, less expenses incurred by the Adviser in performing its services under the Investment Advisory Agreement.

Director Compensation

No compensation is expected to be paid to the Company's directors who are "interested persons," as such term is defined in Section 2(a) (19) of the 1940 Act. The Company's directors who do not also serve in an executive officer capacity for the Company or the Adviser are entitled to receive annual cash retainer fees, fees for participating in in-person board and committee meetings and annual fees for serving as a committee chairperson. These directors are Edward D'Alelio, Christopher M. Temple, Eric Kaye, Melissa Weiler and Victor Woolridge. Through December 31, 2022, the Company paid each Independent Director the following amounts for serving as a director:

Annual Cash Retainer	Board Meeting Fee	Annual Committee Chair Cash Retainer			Committee Meeting Fee
		Chair of the Board	Audit	Nominating and Corporate Governance	
\$150,000	\$2,500	\$25,000	\$15,000	\$5,000	\$1,000

The Company also reimburses each of the directors for all reasonable and authorized business expenses in accordance with the Company's policies as in effect from time to time, including reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and each committee meeting not held concurrently with a board meeting.

The table below sets forth the compensation received by each Independent Director from the Company and the Fund Complex for service during the fiscal year ended December 31, 2022:

On March 22, 2023, members of the Board approved a proposal that modifies the compensation to be paid to Independent Directors to be based on the amount of the Company's net assets as follows:

Net Asset Value	Annual Cash Retainer	Chair of the Board	Chair of Audit	Chair of Committee
\$0 to < \$2.5 Billion	\$ 150,000	\$ 15,000	\$ 10,000	\$ 5,000
\$2.5 Billion to < \$5 Billion	\$ 175,000	\$ 15,000	\$ 10,000	\$ 5,000
\$5 Billion to < \$10 Billion	\$ 200,000	\$ 15,000	\$ 10,000	\$ 5,000
≥ \$10 Billion	\$ 250,000	\$ 15,000	\$ 10,000	\$ 5,000

Under the modified compensation structure, which became effective as of January 1, 2023, the Independent Directors will receive no additional compensation for attending Board meetings or Committee meetings.

Compensation of the Investment Adviser

The Company pays the Adviser an investment advisory fee for its services under the Investment Advisory Agreement consisting of two components: a management fee (the "Management Fee") and an incentive fee (the "Incentive Fee"). The cost of both the Management Fee and the Incentive Fee ultimately will be borne by the Company's shareholders.

The Management Fee is payable quarterly in arrears. The Management Fee is payable at an annual rate of (x) 1.5% of the Company's average gross assets excluding cash and cash equivalents but including assets purchased with borrowed amounts, that is above an asset coverage ratio of 200% calculated in accordance with Sections 18 and 61 of the 1940 Act and (y) 1.00% of the Company's average gross assets (excluding cash and cash equivalents, but including assets purchased with borrowed amounts) that is below an asset coverage ratio of 200% calculated in accordance with Sections 18 and 61 of the 1940 Act, in each case at the end of the two most recently completed calendar quarters payable quarterly in arrears. The Management Fee for any partial month or quarter, as the case may be, will be appropriately prorated and adjusted for any share issuances or repurchases during the relevant calendar months or quarters, as the case may be. For purposes of the Investment Advisory Agreement, gross assets means the Company's total assets determined on a consolidated basis in accordance with generally accepted accounting principles in the United States, excluding cash and cash equivalents, but including assets purchased with borrowed amounts.

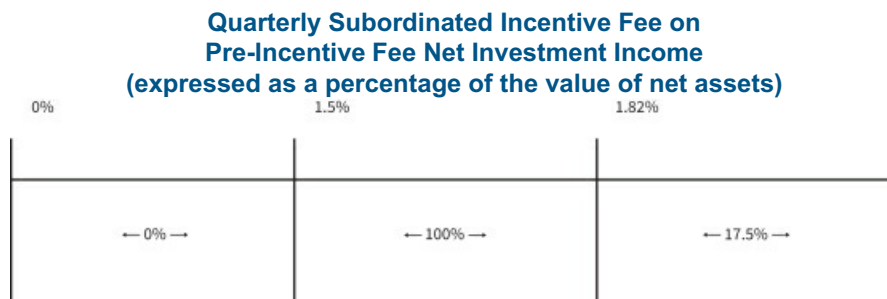

Pursuant to the Investment Advisory Agreement, the Adviser is entitled to an Incentive Fee which consists of two components that are independent of each other, with the result that one component may be payable even if the other is not. A portion of the Incentive Fee is based on the Company's income and a portion is based on the Company's capital gains, each as described below. The portion of the Incentive Fee based on income is determined and paid quarterly in arrears commencing with the first calendar quarter following July 18, 2019 (the "Listing Date"), and equals 100% of the pre-Incentive Fee net investment income in excess of a 1.5% quarterly "hurdle rate," until the Adviser has received 17.5% of the total pre-Incentive Fee net investment income for that calendar quarter and, for pre-Incentive Fee net investment income in excess of 1.82% quarterly, 17.5% of all remaining pre-Incentive Fee net investment income for that calendar quarter. The 100% "catch-up" provision for pre-Incentive Fee net investment income in excess of the 1.5% "hurdle rate" is intended to provide the Adviser with an incentive fee of 17.5% on all pre-Incentive Fee net investment income when that amount equals 1.82% in a calendar quarter (7.27% annualized), which is the rate at which catch-up is achieved. Once the "hurdle rate" is reached and catch-up is achieved, 17.5% of any pre-Incentive Fee net investment income in excess of 1.82% in any calendar quarter is payable to the Adviser.

Pre-Incentive Fee net investment income means dividends (including reinvested dividends), interest and fee income accrued by the Company during the calendar quarter, minus operating expenses for the calendar quarter (including the Management Fee, expenses payable under the Administration Agreement, as discussed below, and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest ("PIK") and zero coupon securities), accrued income that the Company may not have received in cash. The Adviser is not obligated to return the Incentive Fee it receives on PIK interest that is later determined to be uncollectible in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

Table of Contents

To determine whether pre-Incentive Fee net investment income exceeds the hurdle rate, pre-Incentive Fee net investment income is expressed as a rate of return on the value of the Company's net assets at the end of the immediately preceding calendar quarter commencing with the first calendar quarter following the Listing Date. Because of the structure of the Incentive Fee, it is possible that the Company may pay an Incentive Fee in a calendar quarter in which the Company incurs a loss. For example, if the Company receives pre-Incentive Fee net investment income in excess of the quarterly hurdle rate, the Company will pay the applicable Incentive Fee even if the Company has incurred a loss in that calendar quarter due to realized and unrealized capital losses. In addition, because the quarterly hurdle rate is calculated based on the Company's net assets, decreases in the Company's net assets due to realized or unrealized capital losses in any given calendar quarter may increase the likelihood that the hurdle rate is reached and therefore the likelihood of the Company paying an Incentive Fee for that calendar quarter. The Company's net investment income used to calculate this component of the Incentive Fee is also included in the amount of the Company's gross assets used to calculate the Management Fee because gross assets are total assets (including cash received) before deducting liabilities (such as declared dividend payments).

The following is a graphical representation of the calculation of the income-related portion of the incentive fee:

The second component of the Incentive Fee, the Capital Gains Incentive Fee, payable at the end of each calendar year in arrears, equals 17.5% of cumulative realized capital gains from the Listing Date to the end of each calendar year, less cumulative realized capital losses and unrealized capital depreciation from the Listing Date to the end of each calendar year. Each year, the fee paid for the Capital Gains Incentive Fee is net of the aggregate amount of any previously paid Capital Gains Incentive Fee for prior periods. The Company will accrue, but will not pay, a Capital Gains Incentive Fee with respect to unrealized appreciation because a Capital Gains Incentive Fee would be owed to the Adviser if the Company were to sell the relevant investment and realize a capital gain. For the sole purpose of calculating the Capital Gains Incentive Fee, the cost basis as of the Listing Date for all of the Company's investments made prior to the Listing Date will be equal to the fair market value of such investments as of the last day of the quarter in which the Listing Date occurred; provided, however, that in no event will the Capital Gains Fee payable pursuant to the Investment Advisory Agreement be in excess of the amount permitted by the Advisers Act, including Section 205 thereof.

The fees that are payable under the Investment Advisory Agreement for any partial period will be appropriately prorated.

Certain Relationships and Related Party Transactions

The Company has entered into both the Investment Advisory Agreement and the Administration Agreement with the Adviser. The Adviser is registered with the U.S. Securities and Exchange Commission as an investment adviser under the Investment Advisers Act of 1940, as amended, an indirect subsidiary of Blue Owl and part of Owl Rock, a division of Blue Owl focused on direct lending. Blue Owl consists of three divisions: (1) Owl Rock, which focuses on direct lending, (2) Dyal, which focuses on providing capital to institutional alternative asset managers and (3) Oak Street, which focuses on real estate strategies.

Pursuant to the Investment Advisory Agreement, the Company will pay the Adviser a base management fee and an incentive fee. See "Corporate Governance — Compensation of the Investment Adviser" for a description of how the fees

payable to the Adviser will be determined. Pursuant to the Administration Agreement, the Company will reimburse the Adviser for expenses necessary to perform services related to the Company's administration and operations. In addition, the Adviser or its affiliates may engage in certain origination activities and receive attendant arrangement, structuring or similar fees from portfolio companies.

The Company's executive officers, certain of the Company's directors and certain other finance professionals of Blue Owl also serve as executives of the Owl Rock Advisers and officers and directors of the Company and certain professionals of Blue Owl and the Adviser are officers of Blue Owl Securities LLC. In addition, the Company's executive officers and directors and the members of the Adviser and members of the Investment Committee serve or may serve as officers, directors or principals of entities that operate in the same, or a related, line of business as the Company does including serving on their respective investment committees and/or on the investment committees of investments funds, accounts or other investment vehicles managed by the Company's affiliates. These investment funds, accounts or other investment vehicles may have investment objectives similar to the Company's investment objectives.

At times, the Company may compete with other entities managed by the Adviser as well as entities managed by the other Owl Rock Advisers and affiliates of Blue Owl, including the other Owl Rock BDCs and funds managed by the Adviser or its affiliates comprising Owl Rock (together with the Company, the "Owl Rock Clients") and the private funds managed by Dyal (the "Dyal Clients") and the accounts managed by Oak Street (the "Oak Street Clients" and together with the Owl Rock Clients and the Dyal Clients, the "Blue Owl Clients"), for capital and investment opportunities. As a result, the Company may not be given the opportunity to participate or participate fully in certain investments made by the Blue Owl Clients. This can create a potential conflict when allocating investment opportunities among the Company and such other Blue Owl Clients. An investment opportunity that is suitable for multiple clients of the Adviser and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. However, in order for the Adviser and its affiliates to fulfill their fiduciary duties to each of their clients, the Owl Rock Advisers have put in place an investment allocation policy that seeks to ensure the fair and equitable allocation of investment opportunities over time between the Owl Rock Clients and other funds managed by the Adviser and its affiliates and addresses the co-investment restrictions set forth under the 1940 Act.

Allocation of Investment Opportunities

The Owl Rock Advisers intend to allocate investment opportunities in a manner that is fair and equitable over time and is consistent with its investment allocation policy, so that no client of the Adviser or its affiliates is disadvantaged in relation to any other client of the Adviser or its affiliates, taking into account such factors as the relative amounts of capital available for new investments, cash on hand, existing commitments and reserves, the investment programs and portfolio positions of the participating investment accounts, the clients for which participation is appropriate, targeted leverage level, targeted asset mix and any other factors deemed appropriate. The Owl Rock Advisers intend to allocate common expenses among the Company and other clients of the Adviser and its affiliates in a manner that is fair and equitable over time or in such other manner as may be required by applicable law or the Investment Advisory Agreement. Fees and expenses generated in connection with potential portfolio investments that are not consummated will be allocated in a manner that is fair and equitable over time and in accordance with policies adopted by the Owl Rock Advisers and the Investment Advisory Agreement.

The Owl Rock Advisers have put in place an investment allocation policy that seeks to ensure the equitable allocation of investment opportunities over time between the Owl Rock Clients and other funds managed by the Adviser and its affiliates and addresses the co-investment restrictions set forth under the 1940 Act. When the Company engages in co-investments as permitted by the exemptive relief described below, the Company will do so in a manner consistent with the Owl Rock Advisers' investment allocation policy.

In situations where co-investment with other entities managed by the Adviser or its affiliates is not permitted or appropriate, such as when there is an opportunity to invest in different securities of the same issuer, a committee comprised of certain executive officers of the Owl Rock Advisers (including executive officers of the Adviser) along with other officers and employees, will need to decide whether the Company or such other entity or entities will proceed with the investment. The allocation committee will make these determinations based on the Owl Rock Advisers' allocation policy, which generally requires that such opportunities be offered to eligible accounts in a manner that will be fair and equitable over time.

Table of Contents

As a result of the exemptive relief, there could be significant overlap in the Company's investment portfolio and the investment portfolio of other funds managed by Owl Rock that could avail themselves of the exemptive relief and that have an investment objective similar to the Company's.

The Owl Rock Advisers' investment allocation policy is designed to manage the potential conflicts of interest between the Adviser's fiduciary obligations to the Company and its or its affiliates' similar fiduciary obligations to other clients, including the Owl Rock Clients, however, there can be no assurance that the Owl Rock Advisers' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to the Company. Not all conflicts of interest can be expected to be resolved in the Company's favor.

The allocation of investment opportunities among the Company and any of the other investment funds sponsored or accounts managed by the Adviser or its affiliates may not always, and often will not, be proportional. In general, pursuant to the Owl Rock Advisers' investment allocation policy, the process for making an allocation determination includes an assessment as to whether a particular investment opportunity (including any follow-on investment in, or disposition from, an existing portfolio company held by the Company or another investment fund or account) is suitable for the Company or another investment fund or account including the Owl Rock Clients. In making this assessment, the Owl Rock Advisers may consider a variety of factors, including, without limitation: the investment objectives, guidelines and strategies applicable to the investment fund or account; the nature of the investment, including its risk-return profile and expected holding period; portfolio diversification and concentration concerns; the liquidity needs of the investment fund or account; the ability of the investment fund or account to accommodate structural, timing and other aspects of the investment process; the life cycle of the investment fund or account; legal, tax and regulatory requirements and restrictions, including, as applicable, compliance with the 1940 Act (including requirements and restrictions pertaining to co-investment opportunities discussed below); compliance with existing agreements of the investment fund or account; the available capital of the investment fund or account; diversification requirements for BDCs or regulated investment companies; the gross asset value and net asset value of the investment fund or account; the current and targeted leverage levels for the investment fund or account; and portfolio construction considerations. The relevance of each of these criteria will vary from investment opportunity to investment opportunity. In circumstances where the investment objectives of multiple investment funds or accounts regularly overlap, while the specific facts and circumstances of each allocation decision will be determinative, the Owl Rock Advisers may afford prior decisions precedential value.

Pursuant to the Owl Rock Advisers' investment allocation policy, if through the foregoing analysis, it is determined that an investment opportunity is appropriate for multiple investment funds or accounts, the Owl Rock Advisers generally will determine the appropriate size of the opportunity for each such investment fund or account. If an investment opportunity falls within the mandate of two or more investment funds or accounts, and there are no restrictions on such funds or accounts investing with each other, then each investment fund or account will receive the amount of the investment that it is seeking, as determined based on the criteria set forth above.

Certain allocations may be more advantageous to the Company relative to one or all of the other investment funds, or vice versa. While the Owl Rock Advisers will seek to allocate investment opportunities in a way that it believes in good faith is fair and equitable over time, there can be no assurance that the Company's actual allocation of an investment opportunity, if any, or terms on which the allocation is made, will be as favorable as they would be if the conflicts of interest to which the Adviser may be subject did not exist.

Co-Investment Opportunities

As a BDC, the Company is subject to certain regulatory restrictions in negotiating certain investments with entities with which the Company may be restricted from doing so under the 1940 Act, such as the Adviser and its affiliates, unless it obtains an exemptive order from the SEC.

The Company, the Adviser and certain of the Company's affiliates have been granted an Order for exemptive relief (the "Order") by the SEC to co-invest with other funds managed by the Adviser or certain affiliates in a manner consistent with the Company's investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors. Pursuant to the Order, the Company generally is permitted to co-invest with certain of its affiliates if a "required majority" (as defined in Section 57(o) of the 1940 Act) of the Independent Directors make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the transaction, including the consideration to be paid, are reasonable and fair to the Company and its shareholders and

do not involve overreaching of the Company or its shareholders on the part of any person concerned, (2) the transaction is consistent with the interests of the Company's shareholders and is consistent with the Company's investment objective and strategies, (3) the investment by the Company's affiliates would not disadvantage the Company, and the Company's participation would not be on a basis different from or less advantageous than that on which the Company's affiliates are investing, and (4) the proposed investment by the Company would not benefit the Adviser or its affiliates or any affiliated person of any of them (other than the parties to the transaction), except to the extent permitted by the exemptive relief and applicable law, including the limitations set forth in Section 57(k) of the 1940 Act. In addition, the Company has received an amendment to its Order to permit it to participate in follow-on investments in its existing portfolio companies with certain affiliates that are private funds if such private funds did not have an investment in such existing portfolio company. The Owl Rock Advisers' investment allocation policy seeks to ensure equitable allocation of investment opportunities between the Company, and the other funds managed by the Adviser and its affiliates. See "Certain Relationships and Related Party Transactions."

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee is required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

License Agreement

The Company has entered into a license agreement (the "License Agreement"), pursuant to which an affiliate of Blue Owl has granted the Company a non-exclusive license to use the name "Owl Rock." Under the License Agreement, the Company has a right to use the Owl Rock name for so long as the Adviser or one of its affiliates remains the Company's investment adviser. Other than with respect to this limited license, the Company has no legal right to the "Owl Rock" name or logo.

Material Non-Public Information

The Company's senior management, members of the Investment Committee and other investment professionals from the Adviser may serve as directors of, or in a similar capacity with, companies in which the Company invests or in which the Company is considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict the Company's ability to buy or sell the securities of such company under the policies of the company or applicable law.

Required Vote

The affirmative vote of the majority of votes cast on the proposal will determine the outcome of the proposal. For the proposal, "abstain" votes and broker non-votes, if any, will count as shares represented at the meeting for purpose of establishing a quorum but will have no effect on the outcome of the vote.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

KPMG LLP, New York, New York, has been appointed by the Board to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023. KPMG LLP acted as the Company's independent registered public accounting firm for the fiscal years ended December 31, 2016, December 31, 2017, December 31, 2018, December 31, 2019, December 31, 2020, December 31, 2021, and December 31, 2022. The Company knows of no direct financial or material indirect financial interest of KPMG LLP in the Company. A representative of KPMG LLP will be available to answer questions during the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so.

Although action by the shareholders on this matter is not required, the Audit Committee and the Board believes it is appropriate to seek shareholder ratification of this selection in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. If a quorum is present at the Annual Meeting and the appointment of KPMG LLP as independent registered public accounting firm for the fiscal year ending December 31, 2023 is not ratified by the shareholders, the adverse vote will be considered by the Audit Committee in determining whether to appoint KPMG LLP as the Company's independent registered public accounting firm for the succeeding fiscal year.

Pre-Approval Policies and Procedures

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by KPMG LLP to management.

Audit Committee Report

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and KPMG LLP, the Company's independent registered public accounting firm, the Company's consolidated financial statements as of and for the year ended December 31, 2022, as filed with the SEC as part of the Company's annual report on Form 10-K for the fiscal year ended December 31, 2022. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting issues with the Audit Committee. The Audit Committee also discussed with KPMG LLP the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, *Communications with Audit Committees*, as amended, and by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by KPMG LLP to management.

The Audit Committee received and reviewed the written disclosures and the letter from KPMG LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP's communications with the Audit Committee concerning independence, and has discussed with KPMG LLP its independence. The Audit Committee has reviewed the audit fees paid by the Company to KPMG LLP. It also has reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting KPMG LLP from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements of the Company as of and for the year ended December 31, 2022 be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2022 for filing with the SEC. The Audit Committee also recommended the appointment of KPMG LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2023.
